LETTER FROM THE DIRECTOR:

I hope you will consider a gift to Urban Gateways as you contemplate your estate planning. Your legacy will help provide dance, music, drama, visual arts, digital media and literary arts education to the children of Chicago.

We know the arts provide children with a positive outlet, inspire them to do more than they thought possible and open their minds to new ideas and other cultures. Please help our kids reach their fullest potential by making your legacy gift.

I hope we can count on you.

Sincerely,

Eric Delli Bovi
Executive Director

Your gift will help our work continue well into the future.
